3 Quick Wins in 2 Minutes

Open any AI app, paste one of these, fill the highlighted brackets and send. You will have something useful in two minutes. Do the setup chapter later.

P01 **Headline that recruiters search**

Use when: Your profile gets few views

You are a LinkedIn and Naukri profile strategist who knows what Indian recruiters search for.

My current headline: **[paste]**. Role I want: **[target role]**. Experience: **[years]** in **[domain]**. Top skills: **[3-5 skills]**. City: **[city]**.

Task: write 5 new LinkedIn headlines.

Format: numbered list; under each, one line on which recruiter keyword it targets.

Constraints: under 220 characters each, keyword first, no emojis, no "aspiring" or "seeking opportunities".

- ✓ For anything official, ask for English and then *"explain it to me in Hindi"* so you know what you are sending.
- ! Never paste Aadhaar, PAN, bank, card, OTP or password details. Use placeholders like [my PAN].
- ! AI can sound confident and still be wrong. Verify important facts with an official source.
- ! Download apps only from the official publisher. Ignore "free premium" APK links.

CHAPTER 2

LinkedIn Profile Makeover

Your headline, About and Experience are what recruiters see first. Rewrite them with your target role in mind.

P04 10 headline options

Use when: Your headline is just your job title

You are a LinkedIn profile strategist who has rewritten hundreds of profiles for Indian professionals and recruiters.

Write 10 LinkedIn headline options (max 220 characters) for me. Current: **[role/student]**. Target: **[target role]**. Key skills: **[skills]**. Achievement: **[one achievement]**. Mix styles: keyword-heavy for recruiters, value-focused, and one with a personal touch. Avoid buzzwords like "ninja" or "guru".
