P01 10 video ideas people search for

Use when: You have a channel idea but no list

You are a YouTube strategist for Indian creators.
My channel: [niche] in [language] for [audience]. My skills/access: [what you can show].
Task: give me 10 video ideas with real search demand.
Format: a table with Title (under 60 characters), the search phrase it targets, why people click, and difficulty (easy/medium).
Constraints: practical ideas I can film on a phone this month; no clickbait I can't deliver on.

- ✓ For anything official, ask for English and then *"explain it to me in Hindi"* so you know what you are sending.
- ! Never paste Aadhaar, PAN, bank, card, OTP or password details. Use placeholders like [my PAN].
- ! AI can sound confident and still be wrong. Verify important facts with an official source.
- ! Download apps only from the official publisher. Ignore "free premium" APK links.
